BLOCK CAPTAIN ACADEMY

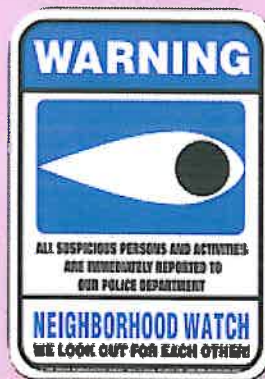

"Being a new resident of Dublin and new Block Captain, I found the [Block Captains' Academy] informative and a great forum to network with other block captains... It made me feel proud to be part of the Dublin community and inspired me to want to become even more involved with our City. "

MONTH • TO • MONTH

Over the last year, all **248** Block Captains and Co-Captains received personalized contact re-connecting them to the City's Neighborhood Watch Program. Participants took advantage of this outreach to provide status reports of their Neighborhood Watch groups, ask questions, or address issues. Each month, they also received safety tips via the Neighborhood Watch NotifyMe group to share and discuss with their neighbors.
